

**MASERGY RECOGNIZED IN CRN'S 2017
NETWORK CONNECTIVITY PARTNER PROGRAM GUIDE**

***Year-After-Year Managed Service Provider (MSP) Industry Validates Masergy's
Network Solutions Among the Best***

DALLAS – August 1, 2017 – [Masergy](#), a leading provider of global software defined networking, managed security and cloud communications solutions, today announced that the company's Global Partner Program has once again been recognized by CRN within their Network Connectivity Partner Program Guide. CRN's prestigious guide highlights companies who have shown exemplary partner support and superior [network products](#) and solutions.

The 2017 Network Connectivity Partner Program Guide is a valuable resource for MSPs, as it recognizes those industry players who are ready, willing and able to help partners wrap their arms around IT-Telecom convergence, and the many moving parts it entails. The combination of Masergy's agile solutions and expert engineering staff continue to deliver the industry's best solution provider experience.

"Masergy is constantly improving its channel support by dedicating more resources to oversee our Strategic Partner Program for our national partners as well as adding additional support to our channel marketing initiatives," said Chuck Ward, Vice President Global Channels. "We are excited our solutions and support efforts are enabling MSPs to excel with their sales efforts and proud that CRN continues to validate our partner program as among the best in the industry."

Year after year, CRN has consistently underscored Masergy's channel offerings and support as superior in their class, including accolades such as:

- 2017 CRN MSP 500 for Managed Security Excellence
- 2016 CRN Partner Program Guide

- 2015 Cloud Partner Program Guide
- 2014 Network Connectivity Services Partner Program

“The vendors featured in our 2017 Network Connectivity Partner Program Guide expertly equip their partners with the critical connectivity services needed to get customers to the cloud,” said Robert Faletra, CEO of The Channel Company. “These companies feature some of the industry’s leading telecom, cloud and connectivity portfolios, along with outstanding marketing and sales assistance that enables solution providers to build lucrative, recurring revenue services.”

The Network Connectivity Partner Program Guide will be featured in the August 2017 issue of CRN and online at www.crn.com/connectivity-ppg.
